ULTIMATE POWER SOLUTION

DHAKA POWER TRADERS

Power Pro 2250

- Three Stage Charging
- Faster Battery Charging
- Can Run Printer/Photo-copier
- Supports Tub, Flat SMF & LC Battery

Key Features

- Capacity- 2000 VA
- Technology- Modified Sine Wave
- No of Battery supported- Two Batteries
- Intuitive Display to see mains availability, Battery Status, Load Percentage etc.
- MCB for protection from Input Mains Surge
- Protection against short-circuit, Battery over-charge, Deep-discharge etc.
- Offers high quality and reliable power back-up solution for office and homes
- 24 Month Warranty*

Optimus 2300

- Informative LCD Display
- Super Fast Battery Charging
- Supports All Battery Type
- Pure Sine Wave Technology

Key Features

- Capacity- 2000 VA
- Technology- Sine Wave Technology
- No. of Battery supported - Two Batteries
- Display: State of the art LCD display, shows real time Inverter battery performance statistics
- Charging current: User can choose charging current between (8A-21A) for optimized performance.
- Optimized performance: User can choose output voltage between (200V-240V) to optimize between longer backup time and performance
- Fast battery charging: Low voltage battery charging begins from 95V and fast charging from 135V input supply
- Mode selector: Eco and UPS mode available
- Complete safety for your home with protection features and alarms on short circuit, overload, over-temperature and low battery
- Safety for your equipment as it supplies grid like power to the connected load
- Supports all Battery types (Flat, Tubular and SMF) and all battery capacities (80Ah-220Ah)
- 24 Month Warranty*

Optimus 2800+

- Informative LCD Display
- Pure Sine Wave Technology
- Superfast Battery Charging
- Supports All Battery Types and Capacity

Key Features

- Capacity- 2500 VA
